

The background features a dark blue gradient with faint, light blue circular patterns and numbers. On the left, a large circular scale with numbers from 140 to 260 is visible. Other smaller circular patterns with arrows are scattered across the background.

LYKKE

INTERNATIONAL OPERATIONS

BACKGROUND

- Lykke Corp Ltd. (registration no. **CHE-345.258.499**), a registered financial technology “FinTech” company was incorporated in 2013 as a private limited company in Switzerland.
- Lykke Corp Ltd. was founded by Richard Olsen and received initial seed funding in 2015.
- The company aims to invest in new ventures and projects in order to build a global market place for all assets and financial instruments. This marketplace will use new technologies such as of the distributed ledger in order to facilitate immediate settlement and direct ownership.
